

Administrative Rule Review – ARR18-025
Legislative Service Office

AGENCY Department of Environmental Quality

DATE SUBMITTED: May 30, 2018

SUBJECT: Chapter 17 - Storage Tanks (Repealed); Chapter 19 - Financial Assurance for Underground Storage Tanks (Repealed)

NATURE OF RULES: Legislative, Procedural

STATUTORY AUTHORITY: W.S. 35-11-112(a)(i); 35-11-1416(a).

DETERMINATION OF PROCEDURAL COMPLIANCE BASED UPON INFORMATION SUBMITTED BY DEPARTMENT OF ENVIRONMENTAL QUALITY TO LSO: Apparently complete to date.

SUMMARY OF RULES: The Department of Environmental Quality and the Environmental Quality Council is repealing two chapters of rules (one related to storage tanks and one related to financial assurance for underground storage tanks). The Department has streamlined these rules and moved them to a new Chapter 1 in a section for Storage Tanks (see ARR18-024).

FINDINGS: The rules appear to be within the scope of statutory authority and legislative intent. Compliance with federal law has not been determined, as it is assumed that the Attorney General has provided that review.

STAFF RECOMMENDATION: That the rules be placed on the Consent List and be approved by the Council as submitted by the Department.
